

## Chicago Attorneys Offering Legal Services for Identity Theft

Identity theft is when another individual uses your personal information—without your permission—to obtain credit or loans. The most common method used by identity thieves to obtain your information is by removing credit card offers from the garbage and then opening an account in your name. If you feel someone has stolen your identity, our experienced [criminal defense attorneys](#) can provide you with helpful legal resources.

[Katz Law Office, Ltd.](#) provides extensive legal services to families and individuals throughout Chicago, Illinois, all the way to Mexico City, Mexico. Our focus is to help [immigrants](#), non-English speaking families, and people who speak English as a Second Language (ESL) understand their legal rights. Our law offices have handled numerous matters for clients who have suffered identity theft, and we have succeeded in clearing their record of blemishes. We also work to obtain certified court orders on behalf of our clients who may have been victims of identity theft, so that they can update their records and show proof to creditors they have been the victims of identity theft.

[Contact the Katz Law Office, Ltd.](#) if you or someone you love has become the victim of identity theft or identity fraud. We are a bilingual law firm that can help you protect your rights. Call **(773) 847-8982** to schedule a **free initial consultation** with our attorneys.

## Legal Steps You Can Take to Protect Against Identity Theft

If someone has stolen your identity, you need to start by filing a police report at your local police station. You also need to contact the U.S. Secret Service which has a special duty to prosecute violations of federal identity theft and financial fraud laws.

In addition, you should also call the following contacts on all of your accounts:

- **Creditors**
- **Bank Accounts**

- The State Department of Motor Vehicles (DMV) where you obtained your Driver's License or State ID card
- U.S. Passport Agency
- Social Security Administration
- Credit Bureaus

Our law firm can help you obtain the information you need to combat identity fraud and to take action against any of the identity theft crimes that were done in your name.
